

be in C & this summer. I'm  
glad because Aunt M. would  
be pretty lonesome all alone. The  
school will soon be over & I  
hate to think of it. I have  
joined a circulating library at a  
local stationery shop & have  
read two books. His Childrens  
Children by Arthur Train & The prisoner  
who sang by John Bojer the  
last one is very good. Well I  
guess I'll get this in the  
day before it gets too late.

Dear Mama

Easter Sun.

It has been a very bad day  
here & a bare Easter. I went  
down to the Chick Prest. Ch.  
on 5th ave. and stood in line  
for about 2 hrs. I heard the music  
but could not get far enough in  
to see much & left in the  
pouring rain & came home on  
the bus. My cold is lots better  
now & I think I feel fine  
tomorrow. Mrs H. changed her  
plans for Sunday & that's the reason  
I did not go to Elizabeth. I went  
down to Willoughbys yesterday &  
pried Graphix Candles (used ones)

They have a peal of a 3a. P.C. size for 65. with  
a lens I could use on my other outfit it would  
cost around \$125. new & they ~~guarantee~~ all  
used stuff to be as good as new. I'll not  
do anything definite however until I'm sure  
about my camp. I wonder if I were in a  
tight pinch I could borrow \$50. of you or D.  
I may not need any extra but I might &  
I'd be glad if you could spare that much.  
Don't feel bad if you can't but if I have  
to buy new stuff I might be short. ~~off~~  
I'm anxious to hear from the camp & expect  
to within a few days. Of course it does  
not begin until the first of July so I'll  
have a month & maybe 6 weeks (if I don't go to  
Oceano) to exist. I am going to try & land a  
Kodak finishing job tho' if possible there  
is nothing doing in the studios most everybody  
of any consequence at all leaves N.Y. in  
summer & the studios close. I am still  
enjoying the judge etc. It is remarkable  
how well it kept. It's too bad that  
June will be awfully so much this summer.  
I wish I were going to be nearer home.  
I haven't any idea where I'll be or  
what I'll be doing but am in hopes of  
getting a place where I can earn enough  
to pay my debts. I guess Max is going to
